Dear Rising 5th Grader,

Welcome to Fifth Grade Math! This summer you will need to complete the attached math packet. It will help keep your math skills sharp and prepare you for 5th grade math. Your parents should review and sign each page. The math packet is due on the second day of class. It will be counted as your first homework grade of the new school year.

By Fifth Grade you should be able to complete 100 multiplication facts in four minutes or less. Using flashcards is an excellent way to practice facts independently as well as with a partner. Challenge yourself by using a timer!

For additional practice you may want to purchase a summer math workbook called Summer Bridge Workbook. It is available at Barnes & Noble. <u>This is not a</u> requirement.

Have a fun and safe summer. I am looking forward to seeing you in August.

Go Stars!

Mrs. Vehr

Suggested work schedule

Week 1: Minute 1 and Minute 2

Week 2: Minute 3 and Minute 4

Week 3: Addition and Subtraction Regrouping

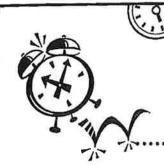

Week 4: Fact practice- 2 x 3 and 4 x 5 x 6

Week 5: Fact practice - 7 x 8 x 9 and 5 x 6 x 7 x 8

Week 6: Multiplication- One Digit Numbers x Two Digit Numbers and Snowball Bash

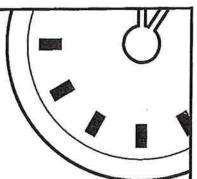

Week 7: Division Tic-Tac-Toe and Hmm, What Should I Do?

MATH PACKET DUE: First FULL day of school
